DEFINITIONS

In interpreting these rules, the definitions in Article 1.1 of the Protocol shall apply. Defined terms within the class rule shall apply unless a different definition is stated below. A term used as stated below is shown in italic type or, in preambles, in bold italic type.

Abandon To abandon a race means to stop racing prior to a yacht having sailed the course.

Bowsprit The part of the cross structure that extends forward of a line abeam of the foremost point of a yacht’s hulls.

Bowsprit Overlap A bowsprit overlap exists when there is no overlap but a part of the bowsprit is overlapped to the outside of either of the other yacht’s hulls.

Capsize A yacht is capsized when her wing is in the water.

Clear Astern and Clear Ahead; Overlap One yacht is clear astern of another when both of her hulls are behind a line abeam from the aftermost point of the other yacht’s hulls. However a yacht with either bow between the other yacht’s hulls is clear astern. The other yacht is clear ahead. They overlap when neither is clear astern. However, they also overlap when a yacht between them overlaps both.

Continuing Obstruction: An obstruction that yachts would take at least 6 hull lengths to sail past. A yacht is never a continuing obstruction.

Finish A yacht finishes when any part of her hulls or bowsprit crosses the finishing line from the course side after completing any penalties. However, when penalties are cancelled under rule 44 after one or both yachts have finished each shall be recorded as finished when she crossed the line.

Keep Clear One yacht keeps clear of another if the other can sail her course with no need to take avoiding action and, when the yachts are overlapped on the same tack, if the leeward yacht can change course in both directions without immediately making contact with the windward yacht.

Leeward and Windward A yacht’s leeward side is the side that is or, when she is head to wind, was away from the wind. The other side is her windward side. When two yachts on the same tack overlap, the yacht with any part of either hull on the leeward side of the other’s leeward hull is the leeward yacht. The other is the windward yacht.

Mark An object the sailing instructions require a yacht to leave on a specified side at that time, and an ACRM vessel surrounded by navigable water from which the starting or finishing line extends. An anchor line or an object attached temporarily or accidentally to a mark is not part of it.

Mark-Room Room for a yacht to sail her proper course to round or pass the mark.

Obstruction An object that a yacht could not pass without changing course substantially, if she were sailing directly towards it and one of her hull lengths from it. An object that can be safely passed on only one side, course limits and any area so designated by the sailing instructions are also obstructions. However, a yacht racing is not an obstruction to other yachts unless they are required to keep clear of her or, if rule 22 applies, avoid her.

OCS A yacht is OCS when at her starting signal any part of her hulls or bowsprit are on the course side of the starting line.

Overlap See Clear Astern and Clear Ahead; Overlap.

Party A party to a hearing: a protestor; a protestee; a yacht for which redress is requested by the Regatta Director or considered by the Jury under rule 60.3(b); the Regatta Director acting under rule 60.2(b); a yacht or a Competitor that may be penalized under rule 69.1; a Race Officer or Regatta Director in a hearing under rule 62.1(a).

Postpone A postponed race is a race delayed before its scheduled start but may be started or abandoned later.
**Proper Course** A reasonable course a yacht might sail to finish as soon as possible in the absence of the other yachts referred to in the rule using the term. A yacht has no proper course before her starting signal.

**Protest** An allegation made under rule 61.2 by a yacht, the Regatta Director or Jury that a yacht has broken a rule.

**Racing** A yacht is racing from her preparatory signal until she finishes and clears the finishing line and marks or retires, or until the Race Officer signals a postponement, termination or abandonment.

**RO Comms** The communication system(s) provided by ACRM for yachts and race officials when on the water consisting of:

1. information displayed on the Stowe displays on each AC45;
2. light signals emitting from ACRM supplied equipment on each AC45;
3. green light signals emitting from ACRM supplied Aft Horn;
4. information transmitted over channel 8 of the ACRM supplied radio;
5. the clock on the sides of the Signal Boat described in the sailing instructions;
6. data from the team telemetry port of the ACRM supplied peli case;
7. the following umpire flags flown with the flag staff pointing at the yacht:
   i. A green and white checkered flag to indicate no penalty under rule 44.1(a);
   ii. A yellow flag to indicate a penalty under Rule 44.1(b); and
   iii. A black flag to indicate a penalty under Rule 44.1(c).

Any communication listed above constitutes communication to a yacht.

**Room** The space a yacht needs in the existing conditions while maneuvering promptly in a seamanlike way.

**Rule** (a) The rules in this book, including the Definitions, Introduction, preambles and the rules of relevant appendices, but not titles;

(b) ISAF Regulation 19, Eligibility Code; Regulation 21, Anti Doping Code;

(f) the sailing instructions; and

(g) the documents described in Protocol Articles 13 and 4.3(k).

**Start** A yacht starts when:

(a) having her hulls and bowsprit been entirely on the pre-start side of the starting line at or after her starting signal, any part of her hulls or bowsprit cross the starting line in the direction of the first mark; or

(b) having crossed the starting line in the direction of the first mark and been identified as OCS, she completes a penalty for OCS.

**Tack, Starboard or Port** A yacht is on the tack, starboard or port, corresponding to her windward side.

**Terminate** To terminate a race means to stop a race after one or more yachts have sailed the course or if in a Match Race, a yacht has been disqualified.

**Windward** See Leeward and Windward.

**Yacht** A sailboat and persons on board.

**Zone** The area around marks and obstructions within a distance of three hull lengths and around continuing obstructions within a distance of five hull lengths. A yacht is in the zone when any part of her hulls are in the zone.
INTRODUCTION

ISAF Codes The ISAF Eligibility and Anti Doping Codes (Regulations 19 & 21) is referred to in the definition Rule but is not included in this book because it can be changed at any time. The most recent versions of the code is available on the ISAF website; new versions will be announced through national authorities and posted on the ISAF website.

Cases and Calls Only Cases that are adopted by the International Jury or Calls adopted by ACRM (on behalf of the Umpire team) are recognized as authoritative interpretations of these RRSAC.

Terminology A term used in the sense stated in the Definitions is printed in italics or, in preambles, in bold italics (for example, racing and racing). Other words and terms are used in the sense ordinarily understood in nautical or general use.

Rule Numbering The RRSAC has kept the original numbering for rules (where possible) to aid reference to non RRSAC rules.

PART 1
FUNDAMENTAL RULES

Races shall be umpired.

1 SAFETY

1.1 Helping Those in Danger
A yacht or Competitor shall give all possible help to any person or vessel in danger.

1.2 Life-Saving Equipment and Personal Flotation Devices
A yacht shall carry adequate life-saving equipment for all persons on board. Each competitor is individually responsible for wearing a personal flotation device adequate for the conditions.

1.3 First Aid Training
An AC72 yacht must have on board at least two crewmembers who have completed a recognized First Aid / CPR course for example:
(a) in New Zealand, St John Ambulance “Emergency First Aid / CPR”; or
(b) in The United States, American Red Cross “First Aid, CPR and AED.”
More advance training provided or recognized by these or equivalent groups will satisfy the requirements of this rule.

2 FAIR SAILING
Competitors shall comply with the rules and act at all times in compliance with recognized principles of sportsmanship and fair play. A yacht may be penalized under this rule only if it is clearly established that these principles have been violated. A disqualification under this rule shall not be excluded from the yacht’s series score.

3 ACCEPTANCE OF THE RULES
By participating in a race conducted under these racing rules, each Competitor agrees
(a) to be governed by the rules;
(b) to accept the penalties imposed and other action taken under the rules, subject to the appeal and review procedures provided in them, as the final determination of any matter arising under the rules; and
(c) with respect to any such determination, not to resort to any court of law or tribunal.
DECISION TO RACE
The responsibility for a yacht’s decision to participate in a race or to continue racing is hers alone.

ANTI-DOPING
A competitor shall comply with the World Anti-Doping Code, the rules of the World Anti-Doping Agency, and ISAF Regulation 21, Anti-Doping Code. An alleged or actual breach of this rule shall be dealt with under Regulation 21. It shall not be grounds for a protest and rule 63.1 does not apply.

LAST POINT OF CERTAINTY
When there is doubt as to the relationship or change of relationship between yachts, the last point of certainty will apply.

PART 2
WHEN YACHTS MEET
The rules of Part 2 apply between yachts that are sailing in or near the racing area and intend to race, are racing, or have been racing. However, a yacht not racing shall not be penalized for breaking one of these rules, except rule 23.1.

When a yacht sailing under these rules meets a vessel that is not, she shall comply with the International Regulations for Preventing Collisions at Sea (IRPCAS) or government right-of-way rules.

SECTION A
RIGHT OF WAY
A yacht has right of way when another yacht is required to keep clear of her. However, some rules in Sections B, C and D limit the actions of a right-of-way yacht.

ON OPPOSITE TACKS
When yachts are on opposite tacks, a port-tack yacht shall keep clear of a starboard-tack yacht.

ON THE SAME TACK, OVERLAPPED
When yachts are on the same tack and overlapped, a windward yacht shall keep clear of a leeward yacht.

ON THE SAME TACK, NOT OVERLAPPED
When yachts are on the same tack and not overlapped, a yacht clear astern shall keep clear of a yacht clear ahead.

SECTION B
GENERAL LIMITATIONS
AVOIDING CONTACT
A yacht shall avoid contact with another yacht if reasonably possible but shall not be penalized under this rule unless there is contact that causes serious damage or injury. However, a right-of-way yacht or one entitled to room or mark-room need not act to avoid contact until it is clear that the other yacht is not keeping clear or giving room or mark-room.
ACQUIRING RIGHT OF WAY
When a yacht acquires right of way, she shall initially give the other yacht room to keep clear, unless she acquires right of way because of the other yacht’s actions.

CHANGING COURSE
16.1 When a right-of-way yacht changes course, she shall give the other yacht room to keep clear.
16.2 When sailing to a mark that is to windward, a starboard-tack yacht shall not bear away to a course that is below her proper course and more than 60 degrees from the true wind direction if at that moment the port-tack yacht that is keeping clear by sailing a course to pass astern of her has to immediately change course to continue keeping clear.
16.3 When sailing to a mark that is to leeward, a starboard-tack yacht shall not luff to a course that is above her proper course and less than 110 degrees from the true wind direction if at that moment the port-tack yacht that is keeping clear by sailing a course to pass astern of her has to immediately change course to continue keeping clear.

SECTION C
AT MARKS AND OBSTRUCTIONS
Rules 18 and 19 do not apply at a starting mark surrounded by navigable water or at its anchor line.

MARK ROOM
18.1 When Rule 18 Applies
Rule 18 applies between yachts when they are required to leave a mark on the same side and at least one of them is in the zone. However, it does not apply between a yacht approaching a mark and one leaving it.

18.2 Giving Mark-Room
(b) When the first yacht reaches the zone,
   (i) if yachts are overlapped or bowsprit overlapped, the outside yacht at that moment shall thereafter give the inside yacht mark-room.
   (ii) if yachts are not overlapped and not bowsprit overlapped, the yacht that has not reached the zone shall thereafter give mark-room.
(c) If the yacht entitled to mark-room leaves the zone, the entitlement to mark-room ceases and rule 18.2(b) is applied again if required.
(e) If a yacht obtained an inside overlap or bowsprit overlap and, from the time the overlap or bowsprit overlap began, the outside yacht is unable to give mark-room, she is not required to give it.

18.4 Tacking or Gybing
When an inside overlapped or bowsprit overlapped right-of-way yacht must tack or gybe at a mark to sail her proper course, until she tacks or gybes she shall sail no farther from the mark than needed to sail that course. Rule 18.4 does not apply at a gate mark.

18.5 Exoneration
When a yacht is taking mark-room to which she is entitled, she shall be exonerated if she breaks a rule of Section A or rule 15 or 16.
19 ROOM TO PASS AN OBSTRUCTION

19.1 When Rule 19 Applies
Rule 19 applies between yachts when at least one of them is in the zone of an obstruction, except when it is also a mark the yachts are required to leave on the same side. However, rule 19 does not apply at a continuing obstruction.

19.2 Giving Room at an Obstruction
(a) When rule 19 first applies, the right-of-way yacht at that time may choose to pass an obstruction on either side.
(b) When yachts are overlapped or bowsprit overlapped, the outside yacht shall give the inside yacht room between her and the obstruction, unless
   (i) she has been unable to do so from the time the overlap or bowsprit overlap began, or
   (ii) she is unable to do so because she is giving or taking mark-room under rule 18.2(b), or
   (iii) she is unable to do so because she is taking room under rule 20.2. However, room in rule 19.2 does not include room to tack unless it is the only option to pass the obstruction.

19.3 Exoneration
When a yacht is taking room to which she is entitled under rule 19.2, she shall be exonerated if she breaks a rule of Section A.

20 ROOM TO PASS A CONTINUING OBSTRUCTION

20.1 When Rule 20 Applies
Rule 20 applies between yachts that have started when at least one of them is in the zone of a continuing obstruction.

20.2 Giving Room at a Continuing Obstruction
(a) When rule 20 first applies, an outside overlapped or bowsprit overlapped or clear-astern yacht at that moment shall thereafter give an inside or clear-ahead yacht room to sail her proper course, including room to tack or gybe, while the inside or clear-ahead yacht is in the zone, unless the yacht required to give room is unable to do so because she is giving or taking mark-room under rule 18.2(b).
(b) When yachts are passing a continuing obstruction on opposite sides, a yacht sailing on a leg to a windward mark or windward gate shall be considered the inside yacht.

20.3 Exoneration
When a yacht is taking room to which she is entitled under rule 20.2(a) she shall be exonerated if she breaks a rule of Section A or rule 15 or 16.

SECTION D
OTHER RULES
When rule 22 applies between two yachts, Section A rules do not.

22 CAPSIZED, ANCHORED OR AGROUND; RESCUING
If possible, a yacht shall avoid a yacht that is capsized or has both rudders out of the water, boats that are assisting a yacht that had capsized, a yacht that is anchored or aground, or is trying to help a person or vessel in danger.
23 INTERFERING WITH ANOTHER YACHT
23.1 If reasonably possible, a yacht not racing shall not interfere with a yacht that is racing, her competitor(s) prior to the preparatory signal, or an umpire boat.
23.2 When yachts in different matches meet, any course sailed by either yacht shall be consistent with complying with a rule or trying to win her own match.

PART 3
CONDUCT OF A RACE

25 SAILING INSTRUCTIONS AND SIGNALS
25.1 Sailing instructions shall be made available to each yacht before a race begins. These shall contain all additional rules for a regatta.
25.2 The Regatta Director will stipulate in writing details of the RO Comms and any other form of communication system that may be used.

26 STARTING RACES
26.1 Races shall be started by using the following signals.

<table>
<thead>
<tr>
<th>Minutes before start</th>
<th>Signal</th>
</tr>
</thead>
<tbody>
<tr>
<td>5</td>
<td>Warning signal</td>
</tr>
<tr>
<td>2</td>
<td>Preparatory signal; Match Race entry*</td>
</tr>
<tr>
<td>1</td>
<td>End of pre-start entry time*</td>
</tr>
<tr>
<td>0</td>
<td>Starting Signal</td>
</tr>
</tbody>
</table>

*This signal, made via the RO Comms, shall identify the yacht(s) that has failed to comply with rule 27.4(b).

26.2 The Race Officer shall communicate via the RO Comms the time of the starting signal for each match or race.

26.3 In the Match Racing Championship pairing list, the yacht listed on the left or on the bottom is assigned the port end of the entry line, the other yacht is assigned the starboard end of the entry line.

27 OTHER ACTIONS BEFORE THE STARTING SIGNAL
27.1 No later than the warning signal, the Race Officer shall signal via the RO Comms the course to be sailed.
27.2 No later than the preparatory signal, the Race Officer may move a starting mark.
27.3 Before the starting signal, the Race Officer may for any reason postpone or abandon the race via the RO Comms.

27.4 Requirements Before The Start
When Match Racing:
(a) The port entry yacht shall:
   (i) 10 seconds prior to the preparatory signal, be on the course side of the starting line and its extensions.
   (ii) In the period from 10 seconds prior to the preparatory signal to1 minute prior to the starting signal, have any part of her hulls or bowsprit cross the entry line, the first time from the windward side to the leeward side.
The starboard entry yacht shall:

(i) At the preparatory signal be outside the line that is at a 90° angle to the entry line through the entry mark at her assigned end.

(ii) In the period from the preparatory signal to 1 minute prior to the starting signal, have any part of her hulls or bowsprit cross the entry line, the first time from the windward side to the leeward side.

28 SAILING THE COURSE

28.1 A yacht shall start, leave each mark on the required side in the correct order, and finish, so that a string representing her leeward hull’s wake after starting and until finishing would when drawn taut

(a) pass each mark on the required side,

(b) touch each rounding mark, and

(c) pass between the marks of a gate from the direction of the previous mark.

She may correct any errors to comply with this rule provided that she has not finished. After finishing she need not cross the finishing line completely.

28.2 A yacht may leave on either side a mark that does not begin, bound or end the leg she is on. However, she shall leave a starting mark on the required side when she is approaching the starting line from its pre-start side to start.

28.3 Course Limits

While racing, a yacht shall be within the course limits designated via RO Comms.

29 RECALLS

When a yacht is OCS, the Race Officer shall promptly identify the yacht via the RO Comms.

30 SHORTENING THE COURSE

30.1 In a fleet race, the Race Officer may shorten a course by reducing the number of legs. The finishing line will be,

(a) at a rounding mark, between the staff displaying an orange flag on the mark and the flag staff of a black and white checkered flag with the word “Finish” on a nearby mark;

(b) at a gate, between the staffs displaying an orange flag on the gate marks.

30.2 A shortened course will be signaled via the RO Comms to all yachts before they begin the new final leg and will include the leg number that the new finishing line will end. The finishing line need not be in position at that time.

32 ABANDONING OR TERMINATING A RACE

32.1 After the starting signal, the Race Officer may abandon or terminate a race for a reason directly affecting the safety or fairness of the competition. This shall be communicated via the RO Comms.

32.2 When a race is terminated:

(a) In a Match Race the yacht that has not finished shall be scored zero.

(b) In a Fleet Race, yachts that have not finished shall be scored accordingly.

32.3 An abandoned race may be resailed.
33  **CHANGING THE NEXT LEG OF THE COURSE**

33.1 The Race Officer may change a leg of the course that begins at a rounding mark or at a gate by changing the position of the next mark (or the finishing line) and signaling all yachts before they begin the leg. The next mark need not be in position at that time.

33.2 A change of course will be signaled via the RO Comms and will include the approximate new position or distance and bearing.

33.3 Subsequent legs may be changed without further signaling to maintain the course shape.

34  **MARK MISSING**

34.1 If a mark is missing or out of position, the Race Officer shall, if possible, replace it in its correct position or substitute a new one and inform the yachts via the RO Comms.

34.2 In the event that the Race Officer is unable to set a gate, the Race Officer will advise yachts via the RO Comms of the rounding direction.

35  **TIME LIMIT**

35.1 If no yacht finishes within the time limit, the Race Officer shall abandon the race. If a yacht sails the course as required by rule 28.1 and finishes within the time limit:

   (a) in a Match Race, the Race Officer shall terminate the race five minutes after the first yacht has finished;

   (b) in a Fleet Race, the Race Officer shall terminate the race ten minutes after the first yacht has finished.

36  **RACES TO BE RESTARTED OR RESAILED**

If a race is restarted or resailed, unless a yacht is disqualified under rule 44.1(c), a breach of a rule in the original race shall not prohibit a yacht from competing or cause her to be penalized.
PART 4
OTHER REQUIREMENTS WHEN RACING

Part 4 rules apply only to yachts racing.

40 Personal Equipment
(a) Each crew shall wear;
   (i) a buoyancy aid that meets the flotation standard of ISO 12402-5 (CE 50 Newtons) and that is capable of being removed within 10 seconds, which when sailing an AC72 shall be the outermost garment;
   (ii) a helmet to a minimum standard of CE EN 1077, ASTM 2040, or Snell S-98 and with at least 300 square centimeters of the exterior surface a high visibility color;
   (iii) when sailing an AC72, a cutting device with a blade length of no more than 150mm;
   (iv) when sailing an AC72, at least one personal air supply of at least 40 liters and not more than 85 liters which when in use does not require the use of hands; and
   (v) a device for carrying media equipment of the dimensions 80mm x 200mm x 30mm;
   (vi) A harness with equipment capable of self-lowering 15 meters; and
   (vii) if required by the Regatta Director an electronic headcount device and/or crew locator device.
(b) When supplied, on board microphones shall be firmly secured in the pockets described in rule 40(a)(v). No other items shall be stowed in these pockets.

41 OUTSIDE HELP
A yacht shall not receive help from any outside source, except:
(a) help for the removal of an injured or ill person. Once a person has been removed from the yacht, that person shall not be returned or replaced;
(b) after a collision, help from the crew of the other yacht or vessel to get clear;
(c) unsolicited information from a disinterested source, which may be another yacht in the same race;
(d) communication with the Race Officer and Umpires;
(e) after a capsize, help to recover the yacht.

42 PROPULSION
A yacht shall compete only by using the wind and water to increase, maintain or decrease her speed. Her crew may adjust the trim of the wing, sails, rudders, daggerboards and hulls, and perform other acts of seamanship.

44 PENALTIES GIVEN BY UMPIRES
44.1 After a protest is communicated to the umpires, they shall decide whether to penalize any yacht. They shall communicate via the RO Comms one of the following decisions:
(a) ‘No penalty.’
(b) The identified yacht(s) shall take a penalty by complying with rules 44.3 and 44.4.
(c) The identified yacht(s) is disqualified, and if the race is a Match Race, the match is terminated and awarded to the other yacht.
44.2 Penalty Line

The penalty line on a leg to mark 1 or the finish is a line perpendicular to the axis of the leg the penalized yacht is on. The penalty line on all other legs is a line perpendicular to the true wind direction. The penalty line is located at the specified distance from the center of the penalized yacht towards the mark(s) defining the beginning of that leg.

(a) In a Match Race, for an infringement between yachts on the same leg of the course or within the zone of a mark: when the penalty is signaled after the penalized yacht has started, the penalty line is established when the penalty is signaled and the penalized yacht is within the course limits. The penalty line maintains a distance of two hull lengths behind the other yacht in the match except when a yacht is penalized under 44.2(a) and she has an existing 44.2(a) or 44.2(c) penalty, in which case the penalties are combined and the remaining penalty line distance is added to the distance of the new 44.2(a) penalty.

(b) The penalty line for OCS is established when the penalty is signaled and the yacht is within the course limits.

(i) The penalty line maintains a distance of two hull lengths behind all yachts that have not been penalized and have started within 3 seconds of the starting signal.

(ii) If no yachts have started within 3 seconds of the starting signal without a penalty, or if in a Match Race both yachts are OCS or the other yacht has a penalty, the penalty line is established at a distance of two hull lengths behind the starting line and advanced according to 44.2(d).

(c) The penalty line for infractions other than those of 44.2(a) or 44.2(b) is established at a distance of two hull lengths behind the penalized yacht when the penalty is signaled and the yacht is within the course limits, except when:

(i) a yacht is penalized prior to starting in which case the penalty line is established behind the yacht when she starts; or

(ii) a yacht is carrying a penalty, in which case the existing penalty line distance is increased by the distance specified by the new penalty.

(d) Once established, the penalty line of 44.2(b)(ii) or 44.2(c) is moved toward the next mark or center of the penalized yacht at 100% of the universal VMG / VMC based on the wind speed and direction, current, and course to the next mark for 10 seconds, and thereafter at 90% of the universal VMG / VMC based on the wind speed and direction, current, and course to the next mark. However, while a yacht taking a penalty is in the zone of a rounding mark, the distance of her penalty line and the time until the speed of her penalty line increases does not change.

44.3 The Penalty

When the penalty line is established the yacht is taking a penalty. The penalized yacht shall immediately reduce her VMG / VMC so that the penalty line moves closer to the yacht’s position until her position falls behind the penalty line. The yacht completes her penalty when the umpires determine that a yacht’s position has fallen behind the penalty line or when it is clear to them that the penalty line is not advancing as intended, and they signal that the penalty is completed via the RO Comms.

44.4 Penalty limitations

(a) If a yacht taking a penalty sails outside the course limits, or tacks or gybes outside the zone of a rounding mark, she is no longer taking a penalty. The penalty remains and the penalty line is re-established 5 seconds after the tack or gybe, or immediately upon re-entry within course boundaries, with a length of the next highest multiple of two hull lengths.

(b) A yacht taking a penalty on the first leg of the course shall not sail a course other than a proper course of a yacht without a penalty if as a result a keep-clear yacht sailing her proper course must change course to keep clear.
44.5 A penalized yacht shall not be recorded as having finished until she takes her penalty and her hulls are completely on the course side of the line and its extensions and then finishes, unless the penalty is cancelled which may be after she crosses the finishing line.

44.6 If a yacht has a penalty and the other yacht in her match is penalized, each penalty shall be complete and this shall be signaled via RO Comms. Rule 44.6 does not apply to penalties for OCS.

44.7 When as a consequence of breaking a rule a yacht has compelled another yacht to break a rule, the other yacht shall be exonerated by the umpires without a hearing.

47 LIMITATIONS ON EQUIPMENT AND CREW
47.1 A yacht shall use only the equipment on board at her preparatory signal.

47.2 A yacht shall not permit any person on board to intentionally leave unless ill or injured. Except as a result of a capsize, a person leaving shall not be accepted back on board nor replaced during the race.

47.3 Sails shall not be in the hull of an AC45 yacht.

49 CREW POSITION
Crew shall use only the following devices to position their bodies’ outboard of the local beam:
(a) hiking straps connected to the hull, trampoline or cross structure;
(b) rigging and equipment within 0.400 m of the local hull or cross structure;
(c) sail control lines extending from the hull or cross structure. Making loops on sail control lines to aid hiking is prohibited.

56 GUESTS
56.1 The Regatta Director will determine whether or not yachts shall carry a guest.

56.2 A guest shall take no part in sailing the yacht and
(a) on an AC45 yacht shall remain aft of the rear beam with at least one hand on at least one of the guest handles.

56.3 A guest shall wear a personal flotation device and helmet that complies with rule 40. This equipment and the clothing worn by the guest shall look the same as that of the crew.

56.4 Guest Weight Limits
(a) The guest weight of a Competitor guest shall be determined by the Competitor and the guest weight of an Event Authority guest shall be determined by the Event Authority. This weight shall include all clothing and equipment worn while on the yacht.

(b) On an AC45 yacht the guest weight shall not exceed 100 kg. For guest weights less than 100 kg, corrector weights shall be fixed symmetrically by weight on the yacht centerline to the trampoline aft of the rear beam:
(i) for a guest weight less than 70 kg, 40 kg of corrector weight shall be carried;
(ii) for a guest weight between and including 70 kg and 90 kg, 20 kg of corrector weight shall be carried;
(iii) for a guest weight of more than 90 kg, no corrector weight shall be carried.

(c) If no guest is carried the Regatta Director will determine the corrector weights to be carried (if any).

56.5 Yachts shall ensure their guest complies with the provisions of RRSAC 56 and other guest requirements contained in the Sailing Instructions.
OTHER PERSONS ABOARD YACHTS
In the event the Regatta Director determines yachts shall not carry a guest pursuant to Rule 56.1, the Regatta Director may provide for the carrying of a person on a yacht on terms and conditions specified in the sailing instructions.

PART 5
PROTESTS, REDRESS, HEARINGS, MISCONDUCT & APPEALS

SECTION A
PROTESTS; REDRESS; RULE 69 ACTION

60
RIGHT TO PROTEST; RIGHT TO REQUEST REDRESS OR RULE 69 ACTION

60.1 A yacht may
(a) ‘Y flag protest’ another yacht under rule 44.4(b), or a rule of Part 2 except rule 14;
(b) ‘Red Flag protest’ another yacht, except for:

SECTION B
PROTESTS; REDRESS; RULE 69 ACTION

HEARINGS

63.1 Requirement for a Hearing
A yacht or competitor shall not be penalized without a protest hearing, except as provided in rules 44, 60.2(d), and 60.4. A decision on redress shall not be made without a hearing. The Jury shall hear all protests and requests for redress that have been delivered unless the protest or request is withdrawn.

63.6 Taking Evidence and Communicating a Decision
The Jury may take evidence in any way it considers appropriate and may communicate its decision orally.

DECISIONS

64.1 Penalties and Exoneration
Further to Protocol 15.4(d), when the Jury decides that a yacht that is a party to a protest hearing has broken a rule, it shall disqualify her if the Jury decides that the breach may have improved the performance of the yacht or had a significant effect on the outcome of a race.

64.2 Decisions on Redress
When the Jury decides that a yacht is entitled to redress under rule 62, it shall make as fair an arrangement as possible for all yachts affected, whether or not they asked for redress. This may be to adjust the scoring, to abandon the race, to let the results stand, to reschedule any outstanding races beyond the existing schedule, to permit or require the substitution of another eligible yacht belonging to the Competitor or to make some other arrangement.

64.3 Decisions on Measurement Protests
(a) When the Jury finds that deviations in excess of tolerances specified in the class rules were caused by damage, accident, or normal wear and do not improve the performance of the yacht, it shall not penalize her. However, the yacht shall not race again until the deviations have been corrected, except when the Jury decides there is or has been no reasonable opportunity to do so.

(b) When a protest or request for redress relating to any matter concerning the measurement of a yacht, the interpretation of the class rule, or damage of a yacht is lodged with the Jury, the Jury shall refer the matter together with the relevant facts to the Measurement Committee and be guided by its advice.
SECTION C
GROSS MISCONDUCT

ALLEGATIONS OF GROSS MISCONDUCT

69.1 Action by the Jury

(a) When the Jury, from its own observation or a report received from any source, believes that a person associated with a Competitor may have committed a gross breach of a rule, good manners or sportsmanship, or may have brought the sport into disrepute, it may call a hearing. The Jury shall promptly inform the individual in writing of the alleged misconduct and of the time and place of the hearing. If the individual provides good reason for being unable to attend the hearing, the Jury shall reschedule it.

(b) If the Jury decides that the person committed the alleged misconduct it shall either:

(i) warn the person or
(ii) impose a penalty by excluding the person and, when appropriate, disqualifying a yacht, from a race or the remaining races or all races of the series, or by taking other action within its jurisdiction. A disqualification under this rule shall not be excluded from the yacht's series score.

(c) The Jury shall promptly report a penalty, but not a warning, to the national authority of the person and to the ISAF.

(d) If the person does not provide good reason for being unable to attend the hearing and does not come to it, the Jury may conduct it without the person present. If the Jury does so and penalizes the person, it shall include in the report it makes under rule 69.1(c) the facts found, the decision and the reasons for it.

(e) If the Jury chooses not to conduct the hearing without the person present or if the hearing cannot be scheduled for a time and place when it would be reasonable for the person to attend, the Jury shall collect all available information and, if the allegation seems justified, make a report to the relevant national authority and to the ISAF.

69.2 Action by a National Authority or Initial Action by the ISAF

(a) When a national authority or the ISAF receives a report alleging a gross breach of a rule, good manners or sportsmanship, or a report alleging conduct that has brought the sport into disrepute, or a report required by rule 69.1(c) or 69.1(e), it may conduct an investigation and, when appropriate, shall conduct a hearing. It may then take any disciplinary action within its jurisdiction it considers appropriate against the competitor or yacht, or other person involved, including suspending eligibility, permanently or for a specified period of time, to compete in any event held within its jurisdiction, and suspending ISAF eligibility under ISAF Regulation 19.

(b) The national authority of a competitor shall also suspend the ISAF eligibility of the competitor as required in ISAF Regulation 19.

(c) The national authority shall promptly report a suspension of eligibility under rule 69.2(a) to the ISAF, and to the national authorities of the person or the owner of the yacht suspended if they are not members of the suspending national authority.

69.3 Subsequent Action by the ISAF

Upon receipt of a report required by rule 69.2(c) or ISAF Regulation 19, or following its own action under rule 69.2(a), the ISAF shall inform all national authorities, which may also suspend eligibility for events held within their jurisdiction. The ISAF Executive Committee shall suspend the competitor’s ISAF eligibility as required in ISAF Regulation 19 if the competitor’s national authority does not do so.

78 COMPLIANCE WITH CLASS RULES; CERTIFICATES

78.1 Competitors shall ensure that the yacht is maintained to comply with the class rule and that her measurement certificate, if any, remains valid.

78.2 When the Measurement Committee decides a yacht does not comply with the class rules in a race, it shall report the matter to the Regatta Director who shall protest the yacht, unless the Measurement Committee and Regatta Director are satisfied the non-compliance was caused by damage or normal wear, and the non-compliance does not improve the performance of the yacht. If this is the decision, the yacht shall not race again until the yacht is brought back into compliance with the class rule unless there is or has been no reasonable opportunity to do so.

PART 7
